San Gabriel Valley Ladies' Major Traveling League
Rules for 1972 – 1973

DUES & FINANCIAL MATTERS: Team Sponsor Fee shall be $25 per team per season. Bowling shall be $4.75 per night. This shall include 35¢ per bowler for scorekeeping. Secretary shall be paid a salary of $300. Team members shall pay $5.00 extra the first night of league for this purpose. NO SHORTAGES.

MEMBERSHIP REQUIREMENTS: Team membership requirements in this league shall be 870 minimum and 890 maximum. Teams may not enter under the minimum. Bowlers must have an official average in average book or in sanctioned league play. If no present book average, current average of 21 games or more will be used; otherwise, two-year book will be accepted. Bowlers with established averages in other than SGVWBA shall present verification of book average by first night of league competition. Individual minimum entering average is 160.

FRANCHISE REQUIREMENTS: Franchise holders must have a 1972-73 book average of 160 or better. In the event of a franchise vacancy, the league will accept written applications for the franchise in the order in which they are received. No application shall be carried over into the following season. Written applications must conform to the qualifications of the league. In the event more than one girl on team wishes franchise and meets necessary qualifications, seniority in league shall prevail. If she loses same, the franchise reverts to an eligible team member. A franchise holder must be captain of that team.

RESPONSIBILITIES OF TEAM CAPTAIN: The captains are responsible for the eligibility of their team members. Any individual may be expelled from membership for not following the decisions of the BOARD OF DIRECTORS of the league or abiding by the WIBC, INC., and the rules stipulated in this constitution. Team captains are to submit their full roster to the secretary at the June meeting. A captain is responsible for the neatness and full uniform of her team; and fines to be collected and turned over to the secretary and revert to sweepstakes. Team captains are responsible for obtaining sponsor's fee of $25 due and payable before or on the third (3rd) night of bowling. Each team captain is responsible for all substitutes used on her team. Green substitute cards not turned in to secretary by end of first game, games will be forfeited.

SUBSTITUTION: Free substitution rule shall prevail; member of regular team pays bowling fee for substitute. No new substitutes shall be allowed the last three weeks of league. If a substitute has bowled three games in the league, she is then eligible to substitute the last three weeks of league on any team.

ABSENTEE BOWLERS: A blind score of 150 may be used providing the absent bowler has a league sheet average of 160 or better; should the absent bowler's sheet average be lower than 160, a blind score of the sheet average less 10 pins will be used.

INJURY, DISABILITY OR EMERGENCY: See WIBC Rule Book.

ARRIVING LATE: Bowler who arrives after her team has begun bowling shall be permitted to begin bowling the first frame, provided both teams have not completed the 4th frame of the game then being bowled. Bowler shall be required to bowl alternately with a member from the opposite team until she has arrived at the frame then being bowled.

LANE BREAKDOWN: Stoppage of bowling due to conditions beyond control shall require both teams to stop bowling. If the breakdown is not repairable, both teams shall move to the first pair of lanes available to continue the match.

GENERAL RULES & REQUIREMENTS: Each team is limited to seven (7) active paying members. In the event of a tie in the team standings for first and second place, the teams involved may elect to bowl the roll-off prior to or on sweepstakes night. Show courtesy by waiting one lane to the right and one lane to left before addressing pins. Any girl subbing in league must wear a skirt or suitable bowling attire. NO SLACKS.

SWEEPSTAKES: Team event will be scratch and will pay three (3) places. Doubles and singles optional with handicap. Entry fee for doubles and singles must be paid the week before sweepstakes. A legitimate sub may bowl team event in sweepstakes. Any paying bowler having 21 games or more in league will be eligible to participate in singles and doubles in sweeps. No more than 5 bowlers to a lane. An eligible sub may take over in an emergency for a bowler who has paid for doubles and singles in advance by approval of the BOARD OF DIRECTORS.

TROPHIES: There will be 10 trophies for the season: First place team = 5; first place sponsor = 1; second place sponsor = 1; individual high average = 1; individual high series = 1; individual high game = 1. High series has preference over high game. The same girl cannot win both. In case of ties in the before-mentioned, duplicate trophies will be presented, money to come from sinking fund.

The league has voted to participate in the coming BVL Tournament 100%.
